**\*\*John Whitaker - Video Production Expert\*\***

- **\*\*Background:\*\*** Mr. Whitaker has a degree in Media Arts and has worked in video production for over 8 years.
- **\*\*Role at Camp:\*\*** He will teach children the technical aspects of video creation, including filming, editing, and sound design.

### #### Safety and Supervision

- **\*\*Certified Staff:\*\*** Our camp includes staff members who are CPR and First Aid certified, ensuring your child's safety at all times.
- **\*\*Background Checks:\*\*** All staff members have undergone thorough background checks.
- **\*\*Small Group Sizes:\*\*** We maintain a low staff-to-camper ratio to ensure personalized attention and supervision.
- **\*\*Emergency Preparedness:\*\*** We have a detailed emergency plan in place, and staff are trained to handle various scenarios.

### #### Camp Environment

- **\*\*Secure Facility:\*\*** Our camp is held in a secure, child-friendly environment with controlled access.

- **Health and Hygiene:** We adhere to strict health and hygiene protocols, including regular sanitization of equipment and facilities.
- **Medical Information:** We request all parents to provide health insurance information and any necessary medical details about their child to ensure we can respond effectively in case of emergencies.

#### Reassurances for Parents

- **Expert Instructors:** Your child will learn from experienced professionals who are passionate about education and digital media.
- **Life Skills:** Beyond technical skills, our camp focuses on building confidence, creativity, and healthy habits inspired by James Clear's "Atomic Habits."
- **Parental Involvement:** We encourage parental involvement and provide resources to help you support your child's journey in digital content creation.
